CO 427 City of Greater Geelong Sqn  
Australian Air Force Cadets

July 24, 2010

Dear

Please forgive us for the protracted delay in responding to your request for membership in our association. As Wayne MacLellan suggested to you, the members of our Executive Committee are located in all parts of our country and thus making collective decisions of this magnitude is not easy. However as Wayne also stated, we as an association are strong supporters of the Air Cadet movement per se.

As a result of your request, we have rewritten our Membership Policy to include the category of Affiliate Membership into which we are most happy to welcome you and the Cadets of 427 City of Greater Geelong Squadron.

Please find included in this package a Certificate of Affiliation which will confirm our commitment to your Air Cadet Squadron as our affiliate member.

You will determine from our Membership Policy which is included herein, that there will be no fee levied for this special category of membership. Suffice to say that our association is honoured to welcome your young men and women as affiliates to our very famous squadron. It is also fitting that your Squadron logo "The Mailed Fist" fits hand in hand (no pun intended) with our motto Ferte Manus Certas (with a swift sure hand).

On behalf of the Chairman W/C Bob Middlemiss and all our members, WELCOME to 427 Lion Squadron Association.

Sask Wilford
